We host Japanese players who we have played against while in Japan.

IBA International U12 Baseball World Championship is an annual tournament hosted in Tokyo, Japan.

This program has been successfully running for over 30 years with 80+ players going onto represent Australia, college scholarships, professional baseball and 4 Major League Baseball players.

This baseball tournament is catered for the Under 12 age group and is an opportunity to represent Australia in very competitive game play as well as experiencing a diverse cultural exchange.

This program does not conflict with other existing programs.

Should your child be selected for this squad, they are guaranteed international baseball tournaments.

This Japan tour consists of 2 x tournaments over 16 days:

Tournament 1. Local Championship

Tournament 2. Japan - World Championship Series with multiple competing countries from all around the world.

The Japan tour is ALL inclusive of:

2 x tournaments in Japan, 2 x Melbourne based Friendship Carnivals whereby 4 x Japanese teams come to participate in a round robin style game play, all training prior to departure, full uniform and walk out gear, international flights, all transfers and inland bus transfer, accommodation via billeting and all meals.

As well as the baseball tournaments, each player will have the opportunity to visit Disneyland, ride the bullet train, metropolitan sight seeing, visit to the official Mizuno factory as well as attending a baseball game in the famous Tokyo Dome.

This will be an amazing baseball experience for all those involved!
